Dependable Homebuyers is a private and independent company of experts specializing in the housing

market. The firm deals in residential real estate and buys houses. In nearly a decade since its inception, the We Buy Houses company has bought many types of houses in Newport News and the surrounding areas. It has expanded throughout the state of Virginia. It now has a nationwide operation. The company is also buying land right now. Evan Roberts and his partners came up with an innovative solution for homeowners who wanted to sell their houses in Newport News. Instead of going to a realtor or using multiple listing services, homeowners could sell their houses directly to Dependable Homebuyers for a fair price.

The company has carved out a niche for itself. It has a reputation of paying top dollar for houses. It has a proven history of buying all kinds of houses, regardless of the exact condition or the neighborhood where a property is situated. Evan Roberts says that his company is not looking for the perfect house in the ideal neighborhood. He is interested in all kinds of houses. His firm has bought properties that were in dire need of repair. They have purchased hoarder houses too. The experts at Dependable Homebuyers specialize in short sale. They buy houses under foreclosure. They assist families who want to downsize, relocate or upgrade to a larger house. No changes are necessary to make a house more presentable. The firm does not require owners to stage their properties to make them more palatable.

Evan Roberts has not only come up with a straightforward and convenient way to sell houses in Newport News. He has also managed to expedite the process of a typical sale like no one else. The company usually takes around twenty four hours after the inspection to present a purchase offer. It is nonobligatory and owners pay nothing to the firm or anyone else. No third party is involved. If owners are happy with the purchase offer, they can accept it and the deal can be closed immediately. There is no commission and closing cost. Sellers can be assured of a maximized return when dealing with Evan Roberts and his team at Dependable Homebuyers. More of Dependable Homebuyers services can be found here.
