Ocean City based Dependable Homebuyers has received another glorious review from a client. The We Buy Houses company has been hailed for its excellent service and unmatched professionalism. Mr. Timothy Kelly sold his house to the real estate investment firm, sooner than he had anticipated, without having to deal with any complications throughout the entire process. Mr. Kelly highlighted the expertise of the team and noted that it has been an effortless experience for him.

Evan Roberts, owner and founder of the firm, thanked Mr. Kelly in response and said that it has always been their commitment to assist homeowners, not only to sell their houses but also to make the whole process as simple as it can be. This is indeed the case as is evident from the reviews from other clients over the years. Recently, Ms. Megan Donovan echoed what has been expressed by Mr. Kelly. She also spoke about the prompt assistance provided by Roberts and his team, no matter how many times she had a question. Ms. Donovan said that the whole team is available. The experts are prompt with their responses. Every query she had was not only addressed but specific processes were explained in great detail. Roberts says that

informing clients about the ground realities, speaking about market conditions and explaining everything even before there is any deal in the offing has been really appreciated by homeowners trying to sell their houses in Ocean City.
