August 26, 2019 -

One of the fastest growing home buying companies in Ocean City has got featured on real estate investor focused website Investor Carrot. The innovative We Buy Houses company has been operating in the city and throughout the state for nearly ten years now. Dependable Homebuyers has transformed the housing sector with its simple and straightforward proposition of buying houses directly from owners at fair prices. They buy houses without any changes being made, either structural or aesthetic. Investor Carrot is one of the most respected and followed platforms. Investors and professionals in the real estate industry rely on information, advisories and tips shared on the platform. It now features Evan Roberts, the owner of Dependable Homebuyers, and is giving the firm a medium to reach out to fellow enthusiasts in the real estate industry.

Dependable Homebuyers is a private company. It is an investment firm lead by Evan Roberts and a team of experts. They specialize in residential properties and land. The company has carved out a niche for itself by buying houses outright and for paying top dollar. Evan Roberts has established himself as an authority in residential real estate in Ocean City. His assessments of home prices, expert advice for sellers and buyers,

experience in flipping houses and ability to provide solutions to owners of distressed properties have no equal at present. He and his team have helped innumerable homeowners over the years. These owners struggled to sell their houses in a saturated market. Distressed properties are always difficult to sell. Realtors and listing services rarely offer much respite. This is where the turnkey solution of Dependable Homebuyers has been a game changer. Interested homeowners can read a recent press release they published at https://docs.google.com/document/d/1BtxUZzKzLpfPVbFa4FMqUHVjYvb9BgLXe7pN2cVsyJg/preview.

Investor Carrot has published an article talking about the accomplishments of Dependable Homebuyers. The website is going to publish pieces by Evan Roberts. He is expected to discuss the ground realities and market conditions of the housing sector in Ocean City. He is also likely to talk about the challenges and potential rewards of flipping houses in and round the city. His acquired experience and firsthand familiarity of the local market makes him an ideal professional to shed light on teething issues in the sector. Roberts and his team already run an information campaign, which is not only for sellers and buyers but also investors and those who are interested in flipping houses, among other real estate ventures.

Roberts spoke about getting featured on the popular platform and said that the entire team is excited at the development. The firm is committed to highlight best practices. It wants to spread more awareness, explore opportunities and also flag issues affecting the real estate industry. Meanwhile, the company continues to buy all types of houses. Owners of residential properties can contact the firm directly and sell their assets without making any changes. Repairs, renovations or home improvements are not required for Dependable Homebuyers to be interested in an outright sale. The company does not have any stringent criteria, pertaining to location or other attributes of a property.
