August 27, 2019 - PRESSADVANTAGE -

Panama City, Fla. ? A local Panama City interior landscaping company is celebrating another win this month. Heroman Services Plant Company has recently been announced as one of the Gold Winning Projects in the AmericanHort International Plantscape Awards.

The AmericanHort International Plantscape Awards recognizes the outstanding achievements by companies who specialize in interior plantscaping. The entries are judged individually based on their own merit rather than ranked against each other. Conducted by a panel of three distinguished plantscapers, the judges do not know the identity of entrants until after the judging is completed. Points are given to each project based on the entry information and photo documentation and the judges look for design, installation, creativity, renovation, and innovation in the submissions to determine the winners.

The Panama City living wall designers won awards in 3 separate categories:

The Lodge at Gulf State Park, A Hilton Hotel, Gulf Shores, AL - Design

The Grand Hotel Golf Resort & Spa, Autograph Collection, Point Clear, AL - Design

The Lodge at Gulf State Park, A Hilton Hotel, Gulf Shores, AL - Special Event and Holiday

Our talented team of Horticulturists and Designers never cease to amaze us with their talent and dedication to exceeding our client's expectations. Sharing these international awards with our entire staff and with our clients, who make it all possible, is truly a pleasure. We are very grateful for this recognition. Says Deborah Heroman, owner of Heroman Services Plant company.
