Security Now USA Reaches More Property Owners, Businesses Across The Nation

August 29, 2019

August 29, 2019 -
July 10, 2019, California- Headquartered in Sherman Oaks, California, Security Now USA is serving commercial clients across the nation.

Security Now USA offers quality solutions for property owners and businesses who seek the best safety services. The company holds a license from the State of Ohio Department of Public Safety, permitting them to provide lawful and insured security. As an American-owned company, they embody a distinctive proficiency and dedicated service to its clients.

True to its mission of "providing fast access to reliable security guards across the nation," Security Now USA has been giving superior security services in Wyoming and other states for several years already. Through the years, the company has earned a reputation of being highly professional, fast, and reliable. With their brand of service, they consistently received the strongest recommendations from their commercial clients.

"We couldn't be happier with Security Now's service, fast and reliable is what we were looking for. We wouldn't go anywhere else," one client from California stated.

Security Now USA likewise has a pool of qualified security officers. With this, businesses are assured of enough number of personnel when needed. The company also has a thorough selection process. Thus enterprises are convinced that they get highly competent security personnel. Their security guards have backgrounds in law enforcement or the military here: Best Security Service Provider in CA.

"We firmly believe that the most valuable resource we offer are our team members. Each member is licensed by the State of Ohio Department of Public Safety PISGS to provide the armed or unarmed services you need," the company stated on their website.

Another thing that separates Security Now USA from their competition is their performance standards. Through the company's mobile app, clients are given the leeway to check the performance of their guards on a real-time basis. Keep track of a guard's progress, view incident reports, and communicate with guards regularly. "The ease of logging in and tracking your guard from anywhere is second to none," says one of Security Now's clients.

With its years of service and a good track record for satisfying our customers' needs, Security Now USA is indeed worth the investment for any business.
