

Local Panama City Damage Restoration Team Shares Fire Extinguisher Tips for Local Community

August 29, 2019

August 29, 2019 -
Panama City, Fl - In an effort to further serve the local community, leading Panama City damage restoration team, Regency DRT has initiated a ?Tip Tuesday? campaign on social media. Every week the team will share tips and tricks on a wide variety of topics from fire safety to storm preparedness. Recently, the team has shared valuable tips regarding fire extinguisher safety precautions.

Since its founding in 1991, Regency DRT has developed a reputation as one of the best and most respected disaster clean-up providers in the United States. Whether customers are homeowners, property managers, federal agencies, or facility managers they are provided with a full-service restoration experience.

The leading Panama City emergency response team recommends having a fire extinguisher in the home. However, knowing how to use it correctly is an important factor in disaster preparedness. The team shared the ?P.A.S.S.? acronym on social media, which entails the following steps to follow when utilizing a fire extinguisher: pull, aim, squeeze, and sweep.

Regency DRT is a proven full-service restoration company that will continue to provide their expert and

reliable services by informing the local community the best ways to stay safe and prepared in the face of a disaster. As the authority on water damage, content damage, or mold damage loss, Regency DRT looks to continue their dedication to the area.

For more information regarding Regency DRT visit the company website at www.regencydrt.com or contact the team at (850) 763-4378.
