

Britton Homes Featured On Builder Hot Spots

September 03, 2019

September 03, 2019 -
Builder Hot Spots, a business based in Plano, Texas, has announced that Britton Homes has been featured on their website. Britton Homes is a builder of luxury homes in Dallas and as such, delivers homes with unique architecture, innovative technology, versatility, energy efficiency, and customized features. Britton Homes offers designs that can fit every lifestyle in the most reputable neighborhoods in the Dallas Metro area.

Cat Nguyen from Builder Hot Spots says, ?The Builder Hot Spots website strives to provide people who are interested in building their dream home with helpful information on builders and various home designs that they can choose from. Britton Homes designs and builds homes in Dallas neighborhoods that embody character and quality. We are, therefore, very much excited to feature Britton Homes on our site.?

Britton Homes has built homes in a number of reputable communities in the Dallas Metro area. These include Castle Hills 50?, Lakewood at Brookhollow 60?, Light Farms, Mustang Lakes 60?, Phillips Creek Ranch 55?, Phillips Creek Ranch 65?, Star Trail 76?, Villas at Legacy West, Walsh 70?, and Windsong Ranch.

Britton Homes has more than 50 years of experience as a well-renowned builder of quality homes in the most desirable neighborhoods in the Dallas Metropolitan area. Some of the available homes from Britton Home are: the 3,685 sq ft 2-story, 4-bed, 3.5-bath home at 1630 Lilac Lane in Light Farms; the 3,888 sq ft 2-story, 4-bed, 4.5-bath home at 1196 Stampede Drive in Phillips Creek Ranch 65?; the 3,888 sq ft 2-story, 4-bed, 4.5-bath home at 4151 Paddock Lane in Windsong Ranch; and the 4,234 sq ft 2-story, 4-bed, 4-bath home at 740 Hallmark Court in Star Trail 76?.

And because home buyers have different styles and needs, Britton Homes allows customers to personalize their home. The company?s team of design professionals can offer a number options to fit every budget with the home buyer not having to compromise with regards to style, appearance, and quality. These professional designers can work with the home buyers to come up with a unique design that suits their specific preferences and needs.

Furthermore, with Britton Homes, smart home technology is built-in at no additional cost. Some of these smart technology devices are: Nest Thermostat E, which allows the user to change the temperature from anywhere, whether on the beach, in the office, or in bed; Nest Hello video doorbell, which provides HD video to show the homeowners everything at their doorstep ? packages on the ground or people from head to toe; Genie Model 3120 Wi-Fi garage door opener, which allows homeowners to monitor and control their garage door from almost anywhere; Leviton Wi-Fi light switch, which allows homeowners to schedule when lights are turned on or off; and Kwikset Smartcode 888 door lock.

At the Builder Hot Spots website, homebuyers can search for their ideal home. They can use the site?s Quick Search feature to look for homes, either by neighborhoods in the city or by builders. As such, people can have access to thousands of new homes, and the number keeps growing as new communities get added weekly. People can also sign up and get notified regarding builder sales and promos, or they can view neighborhood information, school ratings, and more. Thousands of floor plans and interior images are available on the site.

Aside from Britton Homes, there are many other builders offering homes in the Dallas Fort Worth area that are featured on the site. These include Altura Homes, American Legend Homes, Ashton Woods, Beazer Homes, Bloomfield Homes, CalAtlantic Homes, Cambridge Homes, CB Jeni Homes, Centex Homes, Chesmar Homes Dallas, Coventry Homes, Darling Homes, David Weekley Homes, Del Webb, Drees Custom Homes, First Texas Homes, Gehan Homes, Grand Homes, Harston Woods, Highland Homes, and many more.
