A new Tex-Mex restaurant has recently opened in Niagara Falls called Cantina Falls. In the new restaurant, customers can choose from a variety of fresh, Tex-Mex ingredients to create their own masterpiece. The restaurant is located at 310 Rainbow Boulevard at the corner of Old Falls Street in Niagara Falls, NY. Those interested can view the restaurant's Facebook page for reviews, images, and specials. People are encouraged to ask their taco artist about the discount programs that Cantina Falls offers for locals, veterans, and students.

A spokesperson for Cantina Falls says, "Our Tex-Mex menu is as big as your appetite and only limited by your creativity. We offer fresh food options in eco-friendly packaging. In fact, our favorite word to use when describing our menu is options, options, and more options. So, stop by for some fun and to see what you will make today."

For lunch or dinner, customers can choose to make tacos, a burrito, nachos or a salad. For the ingredients, they can choose from garlic-lime grilled chicken, shredded pork carnitas, seasoned beef, chorizo pork sausage, poblano grilled steak, seasoned tofu, or sautéed vegetables. They can then load it with brown rice,

cilantro white rice, or black beans. Customers can then opt to add either queso or chorizo queso.

For the salsa, there is the corn black bean salsa, pico de gallo, jalapeno medium salsa, salsa verde, poblano medium salsa, and serrano hot salsa. For the dressing, there is sour cream, cilantro vinegar, and chipotle ranch guacamole. For toppings, there is lettuce, shredded cheese, tomatoes, onion, black olives, jalapeno, pickled jalapeno, and pepper jack cheese.

Additional items include chips, chips & salsa, chips & queso, chips & guacamole, churros, and raspberry chimichangas. For beverages, customers can choose bottled water or Coke products.

For those who love to play golf, only 8.8 miles away from Hyatt Place Niagara Falls is the Seneca Hickory Stick Golf Course. This has been recognized as one of the best new golf courses in the US. It is an 18-hole, par-72 course that features protected Shellbark Hickory trees and rolling landscapes. It is only 20 minutes by car via NY-104 E/Lewiston Rd.

For those in search of memorable pictures, the Cave of the Winds is just 0.9 miles away from the hotel.
