

Affordable Towing Starts Cheap Towing Service in Jersey City, NJ

September 06, 2019

September 06, 2019 - PRESSADVANTAGE -

Affordable Towing has recently declared the official launch of its towing operations in Jersey City NJ. The company is providing a complete range of tow truck services, including roadside assistance and wrecking services, for residents and visitors in Jersey City, NJ, and its nearby areas. The company formally opened its doors on August 09, 2019, and had since lent a reliable hand to many customers with different towing needs. In line with their business opening, they also launched a new-fangled website that can provide extensive information about the company, its services, and other materials.

Phillip Robbins, the spokesperson for Affordable Towing says, "We are urging the general public and anyone who needs towing to contact and visit our company. We are strategically located at Center Street in Jersey City, and we are excited to share our rich towing experience and professionalism to the people in America's Golden Door." Robbins states that they are providing a complete array of towing and roadside assistance plus other emergency road services. He encourages interested customers to check out their new website for more details of their services. The company website can be accessed by clicking here: <https://www.affordableautorepairandtowing.com>.

“We make sure that our new website is systematically updated to keep the public with our specials,” says Robbins. “Everybody is welcome to visit us online so that they can discover more about what we are about, what we offer and whatever else that they need to know.”

“As our name suggests,” Robbins explains, “affordable pricing is at the heart of our company.” He elaborates that the company adopts an honest price, no surprise policy. The company commits to upfront pricing and does not withhold pricing information from customers. There are no secret charges or hidden fees that often shock customers when work is finished. All fees are fully disclosed and straightforward so customers are well informed of what they will pay.

Affordable Towing maintains a lean organization of professional tow truck drivers and a modern fleet of tow trucks and equipment that are capable of performing all types of towing jobs. Also, they employ the latest technology and tools that can handle the towing of all vehicles regardless of manufacturer or model. People who need emergency towing or roadside assistance services can simply dial the phone number of the company to avail of these services.

“Our agents are always ready to receive calls,” Robbins adds. “We want to impress upon our customers that they are the company’s top priority. We will promptly answer the phone and quickly send a tow team to customers within minutes after taking the call. Our dispatchers are trained to conduct a quick and accurate evaluation of customer situation so that tow crew can immediately be dispatched.”

Robbins adds that the company at present make their services available throughout Jersey City, NJ including areas of Haberman, Dyker Heights, Athenia, Hackensack, Roselle, Bellaire, Sewaren, Radburn, Madison, River Vale, Keasbey, plus a whole lot more. A full list of their service coverage areas including various zip codes and a map can be found here: <http://gmbp.in/u/5d700764b3569>.

Feedback about customer experience with the company can also be found on their website. According to Robbins, the company takes customer feedback and reviews seriously because they are their greatest source of learning. They spend a lot of time interfacing with customers both online and in-person to discover weaknesses in their services and to listen to their suggestions on how to improve them.

He adds that the only reason the company is in business is to provide the best tow truck services to the people. It is for the same reason that will keep their company afloat. Robbins expressed the company’s delight in opening their services for the people in Jersey City, NJ, and the surrounding areas.
