September 06, 2019

September 06, 2019 - PRESSADVANTAGE -

DLP Towing has announced that it has launched 24 hour towing service in Philadelphia, PA, and neighbouring areas as of August 2019. They want to emphasize that they are geared up to provide the fastest and cheapest towing service in Philadelphia and its adjoining communities, 24-7 every day to rescue customers from emergency vehicular problems. They are the go-to company when people need help in any emergency roadside problem or long distance towing.

Tevin Mcfarlane, a representative for DLP Towing, says, "Contact our towing company anytime for excellent towing service at a reasonable price." He continues, "Our tow truck services are backed up by state of the art equipment and the most modern facilities available today. Our company is also fully certified by law and our services are fully licensed, bonded, and insured, so you can be confident that you're in the best hands when it comes to towing. With 5 strategic sites located across Philadelphia, PA, we guarantee ETA in a flash. Avail of our services today and you can get 10% off savings in all our towing and roadside assistance service."

Mcfarlane explains that DLP Towing provides an extensive range of tow truck services. These services

include flatbed towing, car and motorcycle towing, light to medium-duty towing, long-distance and local towing, winching services, oil and fuel delivery, wrecker service, and removal of junk cars. A complete list and full description of their services are provided from the articles here: <http://gmbp.in/u/5d72696a80a2b>.

To deliver top-notch towing services within your means, the company uses the best and most up-to-date flatbed rollback tow trucks and other equipment available. They strictly adhere to all towing laws in operating their tow assistance services that are executed by seasoned and professional mechanics and drivers. Customers will have a peace of mind when entrusting their vehicle and their towing needs in the hands of DLP Towing.

Mcfarlane further points out that DLP Towing has the proper machinery and equipment for hauling and taking vehicles out from ditches and locations where they are stranded. This permits the proper and safe handling of vehicles to avoid costly damages and scratches to the vehicle while getting towed. Their winching services can also adapt to all kinds and sizes of vehicles. Their trucks are also very powerful to pull out cars.

DLP Towing takes pride in having more than 23 years of experience in the towing business. Their broad experience only means that they have confronted virtually all kinds of situations and emergencies that any towing company can go through. They have hands-on experience on how to best respond to every difficult situation and problematic locations.

Mcfarlane adds, "We want to assure the people in Philly that they will receive affordable but fast, efficient, and reliable towing service with DLP Towing. We are also extending our services in and around the City of Brotherly Love so motorists and travellers can be worry-free whenever they are driving within our service coverage area." The company service areas span a very broad coverage which includes Birmingham, Gloucester City, Claymont, Medford, Collegeville, Dresher, Haddonfield, Concordville and Swedesboro and many more. A complete list of their service areas including zip codes can be found here: <http://gmbp.in/u/5d726923d1285>.

Mcfarlane also invites the public to learn more about the company and their various tow truck services and roadside assistance by personally visiting their office located in Sydenham St in Philly.
