

## **Better-quality Towing Service in Laredo, TX Launched by EJS Towing**

*September 06, 2019*

September 06, 2019 - PRESSADVANTAGE -

After a month of intensive business revamping, EJS Towing reopens its towing service in Laredo, TX last August 12, 2019. Following over a decade of service in Laredo, the company is expanding its services and commits in extending tow truck services in areas close to Laredo. The company is currently cited as the best towing service in Laredo, TX.

Carson Ferry, a representative of EJS Towing exclaims, "We are pleased to continue our top-notch service to the City Under Seven Flags. We are re-launching our service to demonstrate our renewed commitment to serving the nice folks of the city of Laredo and its nearby areas."

Ferry adds, "We make sure that nobody is left out in accessing the best towing service in Laredo by pegging our services at affordable rates to the general public. While we lower our rates, we heighten our quality, which makes us the best towing company in the area."

Joe Tyler, one of the veteran tow technicians of the company, further adds, "I have been towing vehicles and assisting stranded motorists for years. And if there is one thing customers hated the most, it is waiting for

long hours. As one of the experienced tow drivers of this company, I can honestly vouch that our company always tries their best in arriving at customers at least within 30 minutes after a customer call."

Customers can look forward to fast response for emergency towing or roadside assistance within 30 minutes after calling the company's phone number. EJS put up a hotline number that is continually manned 24-7 to handle calls and dispatch tow teams. Customers can call the company anytime they need to and they will be more than happy to come to the rescue. Check out more information about the company here: <http://gmbp.in/u/5d726be30d45c>.

Ferry adds, "We are aware that many towing companies promise the same quick response to their customers. We have our five key locations strategically placed around Laredo, TX so we can realistically claim quick arrival to customer location in approximately 30 minutes. Our skilled and licensed professional tow team can also deliver our services with speed and utmost caution to protect the property of customers. Their towing and roadside assistance services are offered across the Laredo area including La Presa, Ejido La Cruz, San Ruben, Rancho El Ebano, La Comita, El Capullo, San Silvestre and many more. Citizens from these communities can expect the prompt response that EJS Towing assures. For a complete list of their service areas, kindly follow this: <http://gmbp.in/u/5d726b91dbc9b>.

Ferry stresses that the company's line of advanced tow trucks and lorries is an assurance of quality service. Moreover, the company is fully compliant with all towing laws and all their services are fully insured and bonded. All the members of their tow teams are licensed and well trained. They also undergo regular training to update themselves with new towing techniques and methods and keep themselves informed about the latest policies concerning towing. The company's towing response teams also make sure that customer's vehicles are free of damage or scratches once services are rendered regardless of the terrain a vehicle may be stranded.

In keeping with its renewed commitment, the company has also launched its new official website. The website contains exhaustive details about the organization, its complete array of services and other pertinent information. People interested can visit the website here: <https://www.ejstowing.com> to learn more about the company. Ferry asserts, "We are not only fast to respond and act on a customer's emergency but we care about our customers. Our greatest asset would be our hearts that are genuinely concerned about the customer's plight and our hands that are always willing to help."
