Richard van der Velde from Easy Payment Options explains that there are several ways to access the company's rental program. "You may visit our online store, browse from our extensive inventory, and select the items you wish to rent. After checking out, you will be redirected to a webpage where you can continue with the application process. We will then evaluate your application and, if everything is in order, you will receive approval in just a few hours," says van der Velde.

If an item is not available on the online store, clients may click on the "Apply Here" section of the website, which allows users to input their preferred item. A customer service representative from Easy Payment Options will then contact the applicant once they successfully source out the item. "If you wish to rent an item that is currently not available on our online store, please do not hesitate to contact us via our website. Simply tell us the SKU number or product code of your desired item and we will source it from our partner stores," says van der Velde.

Meanwhile, as noted on the Easy Payment Options website, they also offers residents of the greater Hervey Bay area affordable funding options for the latest laptops and tablets on the market. Van der Velde explains that the company's default rental period is 24 months, and clients may choose from the company's flexible payment plans. Short term rentals are also available, and payments can be paid weekly or fortnightly depending on the client's choice.

He also states that Easy Payment Options accepts two payment options; either Centrepay for Centrelink customers or Direct Debit from the client's bank account. "You also have the option to purchase the laptop at the end of the rental term if you wish to keep it. Moreover, you are welcome to make an offer to buy the laptop at any point in time during the rental term. If you choose to do this, we will advise an acceptable purchase price to terminate the rental contract," says van der Velde. Lastly, he points out that Easy Payment Options requires clients to submit proof of identification during the application process, including Photo ID License, Medicare card, names, address, and contact phone numbers of four friends or family members, bank statements, and CRN (if using Centrepay).

As noted on Easy Payment Options website they offer homeowners affordable and flexible rental programs on almost any type of household appliance. These include mobile phones, computers, laptops, tablets, TVs, refrigerators, washing machines, bedding, bedroom furniture, lounge chairs, dining suites, washing machine, clothes dryer, and more.

Easy Payment Options is one of the most trusted device rental companies in the greater Queensland area, based on a number of positive reviews and recommendations the company has received online. They have an average rating of 4.8/5.0 on Facebook and 4.2/5.0 on the Google review platform.

One client, Martine Cosmo, says in a Google review, "I've dealt with Easy Payment Options for more than five years now and my 5-star rating is based on how helpful and professional this company is. I've never had any problems dealing with them, and I've never been turned away whenever I reached out to them."

On Facebook, Lisa Carealot says, "Everyone at Easy Payment Options has been a huge part of my family for years now. We first started with a set of home furniture, followed by a fridge and a bed. Over the past seven years, these guys have helped my family out in times of need. I highly recommend Easy Payment Options to everyone because of their great customer service."
