Tripp Brothers Non-Slip Treatments is a Top Flooring Contractor in Bluffton SC. The company has been in the business of helping people and businesses to reduce slipping accidents significantly. For residences, Tripp Brothers Non-Slip Treatments help people overcome their chance of slipping in their home, bathtub, shower, garage or patio. For businesses, they dramatically reduce the chances of accidents that often lead to lawsuits.

Paul and Tom Tripp operate this treatment franchise company. They create an invisible, sophisticated tread design into the surface of hard mineral floors and porcelain/enamel bathtubs. Their product has been developed and proven for concrete, quarry tile, Spanish tile, ceramic tile, glazed brick, marble, terrazzo, porcelain/enamel, and many other hard mineral surfaces.

The highly effective chemicals they are using do not harm and has no effect on the appearance of any surfaces it is applied. The chemicals they are using also have no downtime so clients can use the floor or tub immediately following treatment.

As experts and the Best Floor Safety Professionals, Tripp Brothers Non-Slip Treatments said that there is a need for everyone to prioritize floor safety, especially for businesses. According to them, many companies expose their staff to permanent injury and death when their floors are left unsafe. More than that, companies also resort to paying a significant sum of money as hospital bills and compensation after irreversible harm has been done to their employees.

Statistics showed that slips and falls remained as one of the leading causes of death and permanent disability. Approximately 25,000 people daily are going to hospitals due to slip and fall injuries in the USA, according to Tripp Brothers Non-Slip Treatments. Slip and falls injuries is also listed as the top two leading cause of accidental deaths.

Slip and fall accidents also strip companies a huge amount of money. Businesses in the USA spend $30 billion yearly on slip and fall injuries. Compensation and medical costs from employee slips & falls accidents also total to approximately $70 billion annually.

Nevertheless, slip and fall accidents and deaths could be avoided with floor safety, according to the Best Floor Remodeler Services in Bluffton SC. Their anti-slip treatment is known to increase a surface's coefficient of friction by 200-400 percent even when wet.
