

Piedmont Paint & Finish Receives Glowing Customer Review

September 12, 2019

Charlottesville, VA - September 12, 2019 -

Piedmont Paint & Finish, based in Charlottesville, Virginia, has announced with pride that they have received a glowing five star customer review. Kelly W. noted their excellent customer service and the professionalism of the crew who came on time to do their job of painting the house and they were very thorough. Those who would like to read the mentioned customer review can do so at https://goo.gl/maps/wUcZ4u2fiL2CWX2H9.

Kelly W. said, ?We had a really great experience with Piedmont. Their customer service is excellent (they're quick to respond, clear about when they're coming out, etc), and the people there are wonderful. The crew that painted our house were on time, very friendly, hard working, and thorough. I don't know a ton about house painting - but it seemed to us that we were charged a totally reasonable amount (we had expected to pay more!), and we're thrilled with how the house looks. We've been doing a lot of home repairs lately, and we wish all the crews who came through our house were as pleasant to work with and as careful about their work as Piedmont. We'll definitely hire them again the next time we have a painting job.?

Charles Davis, owner and founder of Piedmont Paint & Finish, says, ?We feel proud and we are truly elated to have received such a glowing review. It has always been our aim to provide excellent customer service and our painting professionals have been trained to be professional and thorough in their work. Receiving such a review makes our efforts all worthwhile and we pledge to continue to do our best to ensure complete customer satisfaction.?

Piedmont Paint & Finish serves as a painting contractor working in Charlottesville, Keswick, Ivy, Nellysford, Wintergreen, Stony Creek, Richmond, and neighboring towns. Their specialty is residential painting for houses, farms and estates. In addition, they also provide commercial painting services. Furthermore, they also have a paint shop for painting, refinishing, restoration, and spray painting of furniture and cabinetry.

They have a Pigment division for custom painting of furniture, wall patterns, murals, and more. More about the Pigment division can be found at https://www.pinterest.com/pigmentdesign. As a creative division of Piedmont Paint & Finish, Pigment specializes in the painting of re-fabbed furnishings provided with an upcycled-modern aesthetic. They also feature unique products from area artists and designers.

Meanwhile, to ensure that their work will only have a minimal impact on the environment, they use low- to no-VOC paints and lacquers as much as possible. Piedmont Paint & Finish are Lead-Safe Certified with the Environmental Protection Agency and are members of the Painting and Decorating Contractors of America.

Because of their more than 20 years of experience they are capable of providing helpful consultation about product selection, color choice, and more. They make sure to only use high quality products from reputable companies like Benjamin Moore and Sherwin Williams.

Piedmont Paint & Finish offers premium interior painting services from single rooms to entire estates and for a broad range of budgets. No project is too large or too small. They make sure to provide accurate proposals and their staff always treat customers with utmost respect, ensuring neatness and minimal disruption to the family or household.

For exterior painting, the company also ensures that they provide superior painting and repainting services. They have such a broad experience they have already worked with historic homes and estates, which they always paint with great care and sensitivity.

And a relatively new service provided by the company is power washing. For this, they use powerful, temperature-controlled, high-capacity power washing equipment for optimum cleaning. This service is

provided by the Piedmont Power Washing division and the service can be offered for commercial establishments, residential buildings, walkways, sidings, roofs and gutters, decks, driveways, brick, concrete, and stonework.
