September 10, 2019

September 10, 2019 -
Pensacola law firm Emmanuel Sheppard & Condon is proud to announce that six of its prominent attorneys were recently awarded the coveted Super Lawyer award, and four others were named Rising Stars.

Alan Bookman, Sally Fox, John Monroe, Erick Drlicka, Rick G. Emmanuel and Robert Emmanuel were all named Super Lawyers in the 2019 competition. Super Lawyers is a rating service of outstanding lawyers from more than 70 practice areas who have attained a high degree of peer recognition and professional achievement. This selection process includes independent research, peer nominations and peer evaluations. The goal of the Super Lawyers? competition is to create a credible, comprehensive and diverse listing of outstanding attorneys that can be used as a resource for attorneys and consumers searching for legal representation.

In addition to those named as Super Lawyers, many of the firm?s younger lawyers were named Rising Stars. Adam J. White, and Adam Cobb were the attorneys named. Super Lawyers Magazine features the list and profiles of awarded lawyers. This magazine is distributed to lawyers in the region and the ABA-accredited law school libraries.

The quality and skill level of Emmanuel Sheppard & Condon is displayed in a vast number of

highly-positive reviews, of which there are more than 40, five out of five-star ratings on Facebook alone. One reviewer writes ?Sally Fox did an outstanding job in handling a lawsuit that was recently filed against our non-profit organization. We brought the case to Ms. Fox with little time to respond in Court, but Sally got our response filed within 48 hours. Then Ms. Fox negotiated a settlement that was most favorable to us. From contacting Ms. Fox to final settlement was less that 60 days. Most importantly, Ms. Fox kept us updated on the status of our case throughout the time she represented us. We could not have had better representation.?

On Yelp, yet another satisfied customer, Charles B. said, "Emmanuel, Sheppard, & Condon has been taking care of our business for several years now. We use them for our contract work, but their firm handles a wide variety of legal tasks, including personal injury law. If you're looking for a friendly firm that really cares about you, then check out 'em out."
