September 16, 2019 -

Lake Providence, Louisiana based BYOB Hot Sauce is excited to announce that their Hot Sauce Advent Calendar for the Christmas of 2019 is now available. While Advent Calendars are typical for the Christmas season, the company claims that there is nothing that resembles their product. The 25 Sauces of Christmas Advent Calendar takes a tradition that is often associated with sweets and treats, and turns into something completely different, yet equally exciting and appealing.

Ricky Hooter, a representative of BYOB Hot Sauce, states, "Advent calendars have been around for a long time. I wanted to make something new. Something genuinely exciting that makes you look forward to what will be next. And thus, the 25 Sauces of Christmas came to life. Each day, you will get to experience a new flavor of hot sauce of varying spiciness, making every day a remarkable experience in and of itself. If you are a hot sauce enthusiast or know about one that would like this experience, one of our Hot Sauce Gift Sets will be perfect for you."

The company states that each of their advent calendars contains 25 different Christmas-themed hot sauces. Each one is a 2 oz glass bottle of slow-simmered Louisiana-style hot sauce. These sauces were made using the traditional Creole method, with over 10 different peppers and ingredient combinations that make each bottle a uniquely sizzling experience. Additionally, the spiciness of each sauce varies every day, as the calendar is a collection of a wide range of spices, from the mildest to the hottest peppers. The company asserts that one can expect to taste some of the most exquisite peppers, including the Carolina Reaper, Serrano, Trinidad Scorpion, Habanero, Ghost Pepper, Cayenne, Jalapeno, Tabasco, Anaheim, Banana, and Scotch Bonnet.

Knowing that this advent calendar may also appeal to the younger members of the family, this is an excellent Advent Calendar for teens.

Since their initial launch last year, the 25 Sauces of Christmas advent calendar has gathered several reviews from satisfied customers. Through Amazon, the calendar has received over 20 reviews, each of which has contributed to its outstanding aggregate review score of 5/5 Stars.

One of their most recent reviews, written by Karen H., states, "I got this as a gift for my husband since we agreed to get one for each other. He is a hot sauce enthusiast, and was very pleased with this calendar. It was clear that he was excited to taste a new sauce every day, which made me very happy to choose this for him. He said that the variety was great, and it did not get repetitive despite eating hot sauce every day for 25 days. He especially liked the hints of the flavor on each bottle, and would always try to guess what kind of spice it was beforehand."
