

Atlanta Trophy Store Celebrates Over 60 Years in the Business

September 13, 2019

September 13, 2019 -

ATLANTA, GA ? Since 1958, Specialty Engraving, an awards company in Atlanta has been helping clients recognize people with awards, trophies, plaques and more. The Atlanta awards dealers have over 60 years of experience under their belt, and their positive reviews reinforce their dedication to service.

Shaun M. writes on Google, ?I stopped by Specialty Engraving to order a trophy for our Lacrosse League. Seth [a Specialty Engraving team member] walked me through their showroom giving me ideas on what we could put together. He was very easy going and knowledgeable and worked with me every step of the way designing my trophy. They were able to build it from scratch and get everything completed in just four business days! Everything came out perfect and I could not be happier!?

Another happy customer, Dirk H., writes, ?I wanted a little extra something to give my parents for their 50th anniversary so I dropped by Specialty Engraving. I mentioned that I wanted something unique and the staff were more than helpful to assist and make suggestions. I was so pleased with the customer services, and

their design department is superb! My parents were thrilled with the piece I gave them. Thank you!?

The corporate trophies company is already Georgia?s largest source for awards, and they aim to be the best. They want to provide awards in Atlanta while being the fastest, closest, better and cheaper, more caring, and more experienced competitor in recognition. Specialty Engraving is ready to continue providing their service in the awards industry, and they are feeling optimistic about their 60 years so far.

Specialty Engraving has been serving Atlanta and the surrounding area since 1958. With locations in Atlanta, Suwanee, Alpharetta and Norcross, there is a spot for any client in the area. To learn more about Specialty Engraving?s products and services, stop by one of their offices, call the main number at (800) 830-3386 or visit their website at www.specialtyengraving.com.
