

Benjamin Franklin Plumbing, PA Launches New Website to Boost Customer Service

August 06, 2014

August 06, 2014 -

Chadds Ford, PA -- Chadds Ford, PA Benjamin Franklin Plumbing, also known as "The Punctual Plumber," has launched a new website that aims to further reach out to homeowners in the Chadds Ford, PA region. The new site is complete with the company's plumbing services and products, special offers, home improvement advice, and easy avenues of contacting the business.

On the website, customers can get better acquainted with Benjamin Franklin Plumbing by learning more about its efforts for punctuality, honest pricing, guaranteed repairs, and hiring the best professionals. The site also lists Benjamin Franklin Plumbing's code of ethics, which illustrates the company's various ways of upholding its character and reputation for above-and-beyond customer service.

Online, visitors also learn about the company's brands including American Standard, Moen, Rinnai, and Toto, and services including but not limited to water, garbage disposals, pumps, faucets, toilets, sinks, pipes, and sewers. The website has information about the Ben Franklin Membership Program, which gives its members exclusive benefits, priority service, and discounts.

Social media interaction of satisfied customers is easier through the new website. Customers can reach out to other homeowners about Benjamin Franklin Plumbing and get the latest company updates on Twitter and Facebook. Videos on home improvement are also available for watching on the company's YouTube channel. Site visitors can also read numerous satisfied customers' testimonials in the form of ratings and reviews, to further grasp the company's professional performance.

Even though customers can fill out online forms to request an appointment and ask specialists questions, the website still gives expert advice on home improvement issues. The FAQs section addresses topics like garbage disposal, toilet replacement recommendations, and drainage problems. The Tips and Tricks Blog has step-by-step instructions on household maintenance and feature photographs and videos.

To help customers pinpoint the Benjamin Franklin Plumbing location within the Chadds Ford, PA area, an

interactive map powered by Google Maps is available on the right side of the site's every page, along with the phone number and a button for requesting an appointment.

Customers can schedule an appointment with PA Benjamin Franklin Plumbing by visiting BenFranklinPlumbingDelawarePA.com and completing a form. Emergency service is also available 24 hours, 7 days a week, by calling 484-866-8846.
