Savannah Attorney Celebrates New Positive Review

September 27, 2019

Savannah, Georgia - September 27, 2019 -
The Brown Firm - Savannah, a law firm specializing in personal injury and car accidents based in Savannah, Georgia, is pleased to announce that they have received a glowing new review from one of their recent clients. The firm specializes in getting their clients the compensation they deserve for lost wages, medical bills, property damage, pain and suffering, and reduced quality of life.

The Brown Firms client, Keci Monique, left a 5-star review on the Google platform. In her review, she says, ?First of all, I'm so thankful for Adam Saxe and the team who worked on my case. I was in a bad car accident last August (2018). I was driving my husband's truck and I was rear-ended by a Camry. I thought the driver of the Camry was dead. The impact was so bad. I couldn't exactly remember where I was or what happened. Nonetheless, after the smoke cleared and major pain set in, I went to see a chiropractor, reluctantly. I'm glad that I did. He had me speak with a field rep who came to me and did all of the paperwork. Once I was able to actually speak to Adam and establish a rapport with him, I knew that I made the right choice. He was always willing to answer my questions, walk me through anything that I didn't understand, and he was always helpful in my times of need.?

Monique continues, ?I've experienced attorneys who won't even pick up the phone and return a call or an email. Adam was always on point. If he was out of the office, he was prompt in responding as soon as he was available. He was always professional, knowledgeable, and went above the call of duty to get me the compensation that I deserved. I highly recommend The Brown Firm and, more specifically, Adam Saxe. Their fees are the absolute best. I seriously wish that I knew about The Brown Firm when I was in the Delta airplane accident on June 21st, 2011, in Atlanta.?

Harry Brown Jr., a representative for The Brown Firm - Savannah, responds, ?It?s always a pleasure for us to learn that our clients have enjoyed working with us. We thank Keci for her exceedingly kind review and we're truly happy to hear that she and our attorney Adam Saxe developed a good working relationship. At The Brown Firm, we take a personal approach with every single one of our clients so we can ensure every case is receiving the right amount of time and attention.?

The firm promises each client will get to talk to a licensed Georgia lawyer who will ensure that the client understands all of their options?not just the quick settlement.
