

Termite and Pest Control Coral Gables Company Acquires A Nearby Pest Service

October 04, 2019

October 04, 2019 - PRESSADVANTAGE -

Coral Gables-based Termite and Pest Control Coral Gables is very happy to broadcast the merger and purchase of an area pest control management organization in Coral Gables. This financial transaction will provide the business the chance to strengthen its profile in Coral Gables, FL and will help both residential and commercial clients all over Miami-Dade County.

"We are thrilled to welcome these new customers and employees to Termite and Pest Control Coral Gables," said Owner and Chief Executive Officer of Termite and Pest Control Coral Gables. "For in excess of 25 years, these individuals have been servicing a considerable subscriber base all over Coral Gables carefully and compassionately and we are honored to carry on that responsibility into the future. This new location will function as Termite and Pest Control Coral Gables and gives us a much increased reach through the State of Florida."

"We feel very blessed to have associated with Termite and Pest Control Coral Gables," stated the Manager of the acquired company. "We've talked to many organizations in the past and we know Termite and Pest Control Coral Gables will take the best care of our staff members due to their strong family culture and, additionally, they will have greater prospects for the purpose of growth," they added. "After getting together with their team during the due diligence phase, all of us recognized we were choosing the right service provider and are eager we will be able to provide a lot more products, including termite inspections and removal to our current clientele."

"Termite and Pest Control Coral Gables is a very recognized and highly regarded name throughout the state of Florida and we are really excited to have this robust team of pros join our family," said a Senior Professional at Termite and Pest Control Coral Gables. "Coral Gables has long been an incredible market for us and having an additional location only reinforces our presence. We feel fortunate to have made this purchase and can't wait to start implementing new programs with another crew of termite professionals."

Termite and Pest Control Coral Gables has been serving the Coral Gables neighborhood for many years furnishing products such as bed bug treatments, stinging insect removal, rodent control along with their principal specialization, termite assessment and extermination.
