

Termite and Pest Control Homestead Business is Expanding

October 04, 2019

October 04, 2019 -

Termite and Pest Control Homestead, a leading supplier of pest control solutions, is glad to publicize the addition of Ray Wilson as a welcome addition to their team of pest elimination experts.

Hiring Ray Wilson will permit Termite and Pest Control Homestead to offer their professional services in more locations near Homestead, FL and allow the organization to offer you its customers a larger array of pest elimination solutions. Ray Wilson specialty is pest control, with advanced experience in bed bug removal and termite inspections.

"We are proud to welcome Ray Wilson to the family," said the General Manager of Termite and Pest Control Homestead. "Ray is committed to providing superior service to our clients in the Homestead area and expanding our ability to provide pest control services with the most up to date tools and technology."

The organization mentioned that they solicited Wilson to join the team as a result of his specific expertise in bedbug removal and termite management, which will permit Termite and Pest Control Homestead to offer a larger selection of bug management solutions in Homestead.

Wilson said, "Their coaching continues to be great as well as the strategies we'll be making use of are certainly the most stylish in the marketplace. I'm truly fired up to get started out and expand their bed bug heat treating services within Homestead."
