

# New Pest Specialist on the Job Termite and Pest Control Plant City

*October 05, 2019*

October 05, 2019 - PRESSADVANTAGE -

Nearby bug control service, Termite and Pest Control Plant City, is growing their staff with a new hire, Samuel Lewis. The company stated that Samuel is the first of numerous staff that will be added, in order to deliver unique termite management services and they also are happy to welcome him to the group.

Hiring Samuel Lewis will make it possible for Termite and Pest Control Plant City to supply their unique solutions in additional areas near Plant City, FL and permit the business to provide its clients a more substantial selection of pest extermination solutions. Samuel Lewis's specialty is termite control and termite assessment, with advanced experience in termite inspections.

"We are proud to welcome Samuel Lewis to the group," said the General Manager of Termite and Pest Control Plant City. "Samuel is committed to providing superior service to our clients in the Plant City area and expanding our ability to provide pest control services with the most up to date tools and technology."

The organization stated that they urged Lewis to join the team on account of his special experience in pest control, that will enable Termite and Pest Control Plant City to offer a bigger array of insect management services in Plant City.

"So far the training continues to be spectacular, I adore the team I'm working with. Termite and Pest Control Plant City really cares about their personnel and that flows right down to the customers," said Samuel Lewis. "We're making use of most current technologies available to manage unwanted pests."
