Sun City-based Termite and Pest Control Sun City is pleased to declare the merger and purchase of a local bug control company in Sun City. This transaction will provide the company the chance to bolster its presence in Sun City, FL and will help both residential and commercial customers all through Hillsborough County.

"We are thrilled to greet these new customers and staff to Termite and Pest Control Sun City," said the President and CEO of Termite and Pest Control Sun City. "For more than 30 years, these folks have been helping a large subscriber base throughout Sun City carefully and compassionately and we are thankful to carry on that responsibility into the future. This new location will operate as Termite and Pest Control Sun City and provides us a substantially increased reach in the State of Florida."

"We really feel blessed to have connected with Termite and Pest Control Sun City," commented the Manager of the acquired firm. "We've talked to a lot of companies through the years and we understand Termite and Pest Control Sun City will take the best care of our employees due to their strong family community and, on top of that, they're going to have greater opportunities when it comes to development," he added. "After meeting their team through the research phase, all of us realized we were selecting the right company and therefore are excited we will be in a position to provide a lot more services, and this includes termite check ups and extermination to our current clientele."

"Termite and Pest Control Sun City is a very recognized and well respected brand within the state of Florida and we are really excited to have this robust team of industry experts join us," declared a Senior Exec at Termite and Pest Control Sun City. "Sun City remains a great market for us and having an additional place only strengthens our presence. We feel fortunate to have made this acquisition and can't wait to hit the ground running with another team of termite specialists."

Termite and Pest Control Sun City has been serving the Sun City neighborhood for quite some time supplying products such as bed bug treatments, stinging insect removal, rodent control in addition to their principal area of expertise, termite inspection and extermination.
