

Termite and Pest Control in Sacramento Acquires A Nearby Pest Service

October 11, 2019

October 11, 2019 - PRESSADVANTAGE -

Sacramento-based Termite and Pest Control in Sacramento is pleased to announce the merger and purchase of a local bug control company in Sacramento. This purchase will provide the provider the ability to strengthen its profile in Sacramento, CA and will assist both residential and commercial clients all over Sacramento County.

"We are thrilled to greet these new customers and personnel to Termite and Pest Control in Sacramento," said the President and CEO of Termite and Pest Control in Sacramento. "For more than 25 years, these individuals have been serving a sizable customer base all through Sacramento meticulously and compassionately and we are honored to continue that effort for years to come. This new location will operate as Termite and Pest Control in Sacramento and gives us a substantially bigger reach in the State of California."

"We really feel privileged to have connected with Termite and Pest Control in Sacramento," said the Manager of the acquired business. "We've spoken with many organizations in the past and we know Termite and Pest Control in Sacramento will take the best care of our employees due to their strong family culture and, additionally, they're going to have greater opportunities for growth," he added. "After interacting with their team through the research phase, all of us understood we were selecting the right business and therefore are delighted we are able to offer more products, among them termite assessments and removal to our existing clientele."

"Termite and Pest Control in Sacramento is a very established and highly regarded brand within the state of California and we are really pleased to have this strong team of specialists join our family," said a Senior Executive at Termite and Pest Control in Sacramento. "Sacramento remains a great market for us and having one more place only reinforces our position. We feel fortuitous to have made this acquisition and can't wait to hit the ground running with another team of termite professionals."

Termite and Pest Control in Sacramento has been helping the Sacramento neighborhood for several years offering products such as bed bug treatments, stinging insect removal, rodent control along with their main specialization, termite assessment and removal.
