

Pest Tech Hired at Local Vacaville Pest Service

October 14, 2019

October 14, 2019 - PRESSADVANTAGE -

Nearby bug control service, Termite and Pest Control in Vacaville, is expanding their staff members with a brand new hire, Matt Smith. The company mentioned that Matt will be the first of many workers that will be hired, to provide new termite treatment solution services and they also are happy to welcome him into the workforce.

Utilizing Matt Smith will permit Termite and Pest Control in Vacaville to provide their unique treatments in additional locations around Vacaville, CA and allow the company to provide its customers a larger collection of pest removal services. Matt Smith's specialty is insect management and termite assessment, along with superior experience in termite inspections.

"We are very pleased to welcome Matt Smith to the family," said the General Manager of Termite and Pest Control in Vacaville. "Matt is committed to providing superior service to our clients in the Vacaville area and expanding our ability to provide pest control services with the most up to date tools and technology."

The company stated that they urged Smith to sign up with the team on account of his special experience with pest control, that will enable Termite and Pest Control in Vacaville to provide a bigger assortment of bug control services in Vacaville.

"So far the training has been amazing, I adore the team I'm working with. Termite and Pest Control in Vacaville really cares about their people and that comes down to the customers," explained Matt Smith, "We're utilizing the latest systems available to manage pests."
