October 15, 2019

October 15, 2019 - PRESSADVANTAGE -

Bay Point-based Termite and Pest Control Services in Bay Point is pleased to declare the merger and acquisition of a local bug control company in Bay Point. This purchase will provide the firm the opportunity to bolster its profile in Bay Point, CA and will assist both residential and commercial clients all over Contra Costa County.

"We are thrilled to welcome these new customers and employees to Termite and Pest Control Services in Bay Point," said Owner and Chief Executive Officer of Termite and Pest Control Services in Bay Point. "For more than 40 years, these individuals have been serving a sizable customer base throughout Bay Point carefully and compassionately and we are honored to continue that obligation for years to come. This new location will function as Termite and Pest Control Services in Bay Point and gives us a significantly greater reach through the State of California."

"We feel totally fortunate to have linked with Termite and Pest Control Services in Bay Point," commented the Founder of the acquired firm. "We've spoken with many companies through the years and we know Termite and Pest Control Services in Bay Point will take the best care of our employees due to their very good family culture and, on top of that, they will have increased prospects for the purpose of growth." They added, "After getting together with their group through the groundwork phase, all of us understood we were choosing the right business and are excited we will be able to supply far more products, including termite check ups and removal to our current customers."

"Termite and Pest Control Services in Bay Point is a very established and well respected name throughout the state of California and we are quite proud to have this formidable team of pros join our family," declared a Senior Executive at Termite and Pest Control Services in Bay Point. "Bay Point has become an incredible market for us and having another place only strengthens our profile. We feel blessed to have made this acquisition and can't wait to hit the ground running with another crew of termite specialists."

Termite and Pest Control Services in Bay Point has been serving the Bay Point community for a long time furnishing products such as bed bug treatments, stinging insect removal, rodent control as well as their principal area of expertise, termite inspection and control.
