

Termite and Pest Control Services in Discovery Bay Adds a Brand New Team Member

October 16, 2019

October 16, 2019 -

Neighborhood pest control service, Termite and Pest Control Services in Discovery Bay, is growing their team with a brand new hire, Mike Turner. The provider stated that Mike will be the first of several workers that will be hired, to provide unique termite management services and that they are thrilled to welcome him to the workforce.

Utilizing Mike Turner will allow Termite and Pest Control Services in Discovery Bay to offer their treatments in additional locations in close proximity to Discovery Bay, CA and permit the company to supply its clients a bigger collection of pest removal services. Mike Turner's specialty is insect management and termite inspection, along with leading-edge experience in termite inspections.

"We are very pleased to welcome Mike Turner to the family," said the General Manager of Termite and Pest Control Services in Discovery Bay. "Mike is committed to providing superior service to our clients in the Discovery Bay area and expanding our ability to provide pest control services with the most up to date tools and technology."

The organization stated that they invited Turner to sign up with the team on account of his special knowledge of termite control, that will enable Termite and Pest Control Services in Discovery Bay to provide a more substantial variety of insect control products and services in Discovery Bay.

"So far the training continues to be amazing, I really like the team I'm working with. Termite and Pest Control Services in Discovery Bay really cares about their employees which comes right down to the clients," reported Mike Turner, "We're using the most current systems available to manage insects."
