October 17, 2019

October 17, 2019 - PRESSADVANTAGE -

Manteca-based Pest Control and Termite Services in Manteca is very happy to broadcast the merger and acquisition of a nearby bug control business in Manteca. This transaction will provide the organization the chance to strengthen its profile in Manteca, CA and will serve both residential and commercial clientele throughout San Joaquin County.

"We are thrilled to greet these new customers and staff to Pest Control and Termite Services in Manteca," said the President and Chief Executive Officer of Pest Control and Termite Services in Manteca. "For in excess of 33 years, these folks have been servicing a substantial client base all through Manteca meticulously and compassionately and we are honored to continue that dedication for years to come. This new location will operate as Pest Control and Termite Services in Manteca and provides us a much improved reach throughout the State of California."

"We feel totally privileged to have connected with Pest Control and Termite Services in Manteca," said the Owner of the acquired business. "We've spoken with a lot of companies through the years so we realize Pest Control and Termite Services in Manteca will take the best care of our personnel due to their very strong family community and, on top of that, they're going to have increased opportunities for the purpose of advancement," he added. "After interacting with their group during the research phase, all of us realized we were selecting the right service provider and therefore are excited we will be capable of supply more services, and this includes termite check ups and removal to our existing customers."

"Pest Control and Termite Services in Manteca is a very established and highly regarded name in the state of California and we are really proud to have this strong team of pros join us," declared a Senior Executive at Pest Control and Termite Services in Manteca. "Manteca continues to be a great market for us and having an additional place only improves our position. We feel fortunate to have made this acquisition and can't wait to start implementing new programs with another crew of termite professionals."

Pest Control and Termite Services in Manteca has been helping the Manteca community for a long time providing services such as bee removal, spider control, rodent extermination as well as their primary area of expertise, termite assessment and control.
