

Pest Tech Hired at Local Santee Pest Service

October 18, 2019

October 18, 2019 - PRESSADVANTAGE -

Local pest control service, Handy Termite and Pest Control, is growing their team with a new hire, Brian Micheals. The firm mentioned that Brian is the first of several staff that will be brought on, in order to deliver cutting edge termite treatment services and they are thrilled to welcome him to the workforce.

Utilizing Brian Micheals will permit Handy Termite and Pest Control to supply their unique remedies in additional locations around Santee, CA and allow the company to supply its customers a bigger range of pest removal services. Brian Micheals's specialty is termite management and termite inspection, along with advanced experience in termite inspections.

"We are extremely pleased to welcome Brian Micheals to the group," said the General Manager of Handy Termite and Pest Control. "Brian is committed to providing superior service to our clients in the Santee area and expanding our ability to provide pest control services with the most up to date tools and technology."

The organization explained that they invited Micheals to join the team as a result of his special experience in termite control, that will enable Handy Termite and Pest Control to provide a more substantial array of bug management services in Santee.

"So far the training continues to be incredible, I really like the team I'm working with. Handy Termite and Pest Control really cares about their personnel and that passes down to the customers," said Brian Micheals, "We're making use of most up to date systems available to take care of insects."
