September 25, 2019 -
Tangu, Inc. in Atlanta, Georgia has received a new 5-star review from a satisfied client for their addiction treatment services. Kenny Liu, who left his thoughts in Google Reviews, saying: ?Thanks to Tangu, I'm finally able to get control of my life and be free from the grip of alcoholism. I'm 10 months sober so far, and am excited to continue pursuing my goals. I didn't think I would ever quit drinking, but Tangu saved my life!?

The CARF accredited multi-counseling service has been providing quality substance abuse services in Atlanta, Georgia since 1994. The company helps clients recover from addiction using a variety of methods. For example, Tangu provides drug prevention awareness education services to persons involved in the Municipal and State Court systems who have DUIs or other minor substance abuse-related offenses.

The Atlanta facility also offers residential partial hospitalization (PHP) as well as intensive outpatient (IOP) programs that are designed to meet the individual needs of each client. These outpatient programs are staffed by two ASAM Certified Physicians, as well as licensed nurses, psychotherapists, and certified addiction counselors.

Tangu?s full range of addiction services includes outpatient mental health, psychosocial rehabilitation, and relapse prevention for addiction disease and mental health disorders. Patients can get assistance from highly trained staff who have credentials in the field of substance abuse and mental health.

Tangu serves as a safe haven for clients experiencing all types of substance abuse disorders. This includes addiction to alcohol, marijuana, cocaine, methamphetamine, opioid pain medications, and more. Tangu specializes in outpatient rehab services for drugs and alcohol.

This is not the first time Tangu, Inc. received stellar reviews for its services. Another Google Review from a user named Madeline T had this to say about the company: ?I must say, I have gotten a lot out of it. This was my first time in treatment/recovery and I totally embraced it. I am in the process of transitioning out of the residences now, so I technically have one more week. I now have a great job, a great network of people who are in recovery, and a mind full of knowledge and coping skills I learned through Tangu!?

Madeline added: ?I have been clean for almost 6 months now and would not have been able to do it without this place! I highly recommend this place to anyone who is serious about recovery and is wanting a lifestyle change forever!?

Tangu, Inc.?s programs are culturally sensitive and appropriate for all cultural groups. People of all race, religion, or gender can enjoy innovative programs and services geared towards sobriety. Proper addiction treatment gives patients the opportunity to create a future that is free of drug and alcohol abuse.
