September 25, 2019 - PRESSADVANTAGE -

Dublin, California - September 25, 2019 - All-In-One Dental Innovations is excited to announce their lineup of cosmetic dentistry solutions. Designed to meet the needs of their patients, cosmetic dentistry services can resolve many appearance issues. As the premier dentist Dublin CA office, All-In-One Dental Innovations has committed to patient care and designs treatment plans for patients so that they achieve the smile they had always hoped for.

Cosmetic dentistry, unlike general dentistry, is focused on improving the appearance of a smile. These types of services can correct discolorations, chips, cracks, mishappen teeth, or even fix alignment issues such as gaps and bad bites. All-In-One Dental Innovations proudly provides the following types of cosmetic dentistry in their Dublin office.

- Teeth Whitening
- Same-Day Crowns With CEREC® Technology
- Invisalign®
- Tooth Bonding

- Porcelain Veneers
- Onlays & Inlays
- Dental Bridges

Patient care is a top priority for All-In-One Dental Innovations. They have had countless 5-star reviews from patients that rave about their experience with the Dublin dental office. Here is a recent 5-star review from Billy: "I've been a patient of Dr. James for quite a few years now. The staff is always courteous, friendly, and happy to see me. I suffer from PTSD, and I am not your normal patient. Dr. James and his staff have always been able to accommodate me and make me feel safe, secure, and at ease. There is never any pain. I actually enjoy going to the dentist now. I would recommend Dr. James to everybody, especially if you haven't been to the dentist in years and have anxiety. He is the perfect match for you."

All-In-One Dental Innovations has had several Dublin dental office reviews that highlight their caring and compassionate care. Their office is dedicated to helping patients feel comfortable and relaxed throughout their entire visit. With a focus on pain-free dentistry, All-In-One Dental Innovations, and Dr. James Huang stay up to date on the latest technology and techniques in the industry. They work with CEREC technology for same-day crowns that provide a more natural look and are created in-office that take only a day. When compared to traditional crowns that need to be sent off, this is far more efficient and convenient for patients.

For those that have been searching for a cosmetic dentist in the Dublin area, All-In-One Dental Innovations brings a wide range of services and experience that is unmatched. When combined with their dedication to patient care and superior results, patients are always in excellent hands.

To request a consultation, those interested can visit their website, or call their Dublin office at (925) 828-9811 during regular business hours.
