Network for Wellness of New Buffalo, Michigan has recently announced that they will be providing their customers a free copy of their cosmetic care book. The book, Beautiful Skin Always, will be provided along with their premium SPLENDEUR 3D Fiber Mascara. This offer was launched as a promotion for their mascara and has proven to be extremely popular with their customers. "It is natural to lose our eyelashes as we age," states Bridgette Swanson of Network for Wellness. "There is much we can do to slow down this natural aging process such as dieting and eyelash conditioning. The SPLENDEUR Gel conditions your lashes with collagen as well as accentuates them."

Studies have revealed that up to 80% of women between the ages of 35 to 60 years have reported eye lash depletion. In majority of the cases hormonal changes and loss of skin integrity are to blame for this decrease. As a counter measure, most women turn to cosmetic solutions like using false eyelashes, eyelash extensions and eyelash enhancers.

Eyelash enhancers like the SPLENDEUR DivaLash mascara are considered the best options for increasing their volume. "Individual eyelash extensions applied at a salon start coming off in just a couple of days," explained Bridgette. "This is on top of them being extremely expensive compared to SPLENDEUR 3D Lashes."

The mascara set includes two bottles containing a collagen rich transplanting gel and green tea natural fibers. The gel acts as a securing agent to the green tea fibers which compile to add volume to the eyelashes.

"I ordered two more since my first order," reported one customer, Sheryl, on Amazon. "It does exactly what it says; I have beautiful lashes now. It works similar to YOUNIQUE 3D Mascara." By combining mascara with fibers, Network for Wellness has utilized a unique cosmetic technology that has seen a steep rise in popularity since it was first incorporated several years ago.

The company is currently offering a discount on their mascara along with the free Beautiful Skin Always book.

Additionally, as an indication of commitment to their customers, they are offering a lifetime satisfaction guarantee on each purchase of Divalash 3D Fiber mascara.
