Local Austin home buying company, Zit Buys Homes, announces that home sellers in Austin, Texas can get a cash offer from Zit Buys Homes to buy their home no matter the condition of the property, giving them a convenient alternative to sell their home. Selling through Zit Buys Homes gives homeowners the certainty of knowing how much they can sell their current home for and allows for the closing to take place on the homeowner's schedule.

Zit Buys Homes also purchases homes in Round Rock, Hutto, Pflugerville, Leander, Cedar Park, Bastrop and all other areas in the Austin metro area. The company is recognized as one of Austin?s most trusted home buyers.

With Zit Buys Homes, home sellers can get a preliminary, no-obligation cash offer from the company within just 24 hours of submitting basic information about their home on Zit Buys Homes's website. If the homeowner accepts the offer, they can close in as little as seven days or as many as 180, giving the seller the flexibility over the closing timetable.

Selling through Zit Buys Homes means homeowners can avoid repairs that may be needed to sell via an agent, the inconveniences of open houses and other hassles that often come with listing a home the conventional way. Zit Buys Homes also provides transparency and guidance to home sellers throughout the entire process. Interested homeowners can read a recent press release they published at https://www.pressadvantage.com/story/31140-zit-buys-homes-offers-cash-for-houses-to-austin-residents.

After Zit Buys Homes buys a home, the company makes the necessary repairs to ensure the home is market-ready before listing it for sale. Buyers of Zit Buys Homes-owned homes can be confident that the home they buy has been professionally renovated by local contractors.

"Today?s consumers want the flexibility, control, and convenience in all aspects of their lives, and Zit Buys Homes applies this same philosophy by giving homeowners seeking to sell an easier, faster, and more convenient way to sell their homes," said Zit Buys Homes Founder Jack Rady. "In a competitive market like Austin, Zit Buys Homes lets sellers know exactly how much they can sell their home for and gives them control over their time frame so they can prepare for the next chapter of their lives. We're thrilled to offer the residents of the great state of Texas the ability to sell a home without all of the stress and hassle that typically comes with a traditional sale.?

"We moved into a larger home, but still had a mortgage on the other house. After nearly 5 months of making two mortgage payments, we found ourselves in a financial bind. Selling the older house wasn?t just an option, it was a necessity and we had to do it quickly," said Dan Reinhardt, who sold his Austin-area home to Zit Buys Homes. "We've gone the traditional route before when selling a house, and it was both emotionally and financially draining. We just wanted to avoid all that hassle, and get rid of this other mortgage payment. I chose Zit Buys Homes because I trusted what Jack told me, the offer was fair and he guaranteed the closing would happen within 14 days. Jack took care of everything throughout the entire process. I wish I had contacted Jack 5 months earlier. I strongly recommend Jack and Zit Buys Homes LLC for any homeowner looking to sell their house fast. Selling to Zit Buys Homes was so much easier, and we couldn't be happier now that we're settled into our other home."

Zit Buys Homes was founded with the sole intention of helping property owners sell their house quickly and in as-is condition. The company has been doing that successfully throughout the Austin, Texas area. More of Zit Buys Homes services can be found here.
