October 01, 2019

October 01, 2019 - PRESSADVANTAGE -

Albuquerque, New Mexico based law firm Will Ferguson & Associates of Albuquerque is pleased to announce that they are providing legal aid for people who have been in auto accidents. The firm has been practicing in New Mexico for over 35 years and is the largest personal injury firm in the state.

Will Ferguson, a representative for Will Ferguson & Associates of Albuquerque, states that, "Car accidents, unfortunately, can't always be prevented, no matter how carefully you drive. However, if you've been in a car crash and are injured, there is at least a way to reduce the stress of the aftermath. If you know that your car accident wasn't your fault, you can seek damages through an injury claim. With our help, you can sue the party who is responsible for your automobile accident, and you can receive compensation for your injuries."

As the firm explains, the liability of a car crash can fall on different persons, depending on the nature of the accident. If a vehicle crashes due to a defective auto part, for instance, the liability will rest with the manufacturer because there is nothing the driver could do to avoid such a crash. In cases of distracted or intoxicated driving, the driver who is distracted/intoxicated will be liable. If the crash occurred due to dangerous road conditions, then the government could be held legally responsible. More detailed information can be found on the firm's website.

"We have a hard-earned and widespread reputation for excellence," says Ferguson. "We are the best Albuquerque car accident lawyer and there is a reason for it. We have the size and the resources to take on the biggest and most complex cases, but we also offer all of our clients personalized representation. What makes us stand out, I believe, is that our attorneys are compassionate human beings who double as aggressive legal advocates when necessary. We represent our clients strictly on a contingency fee basis, ensuring that you do not owe any legal fees until you have received a jury verdict or settlement. If you need any help at all, you shouldn't hesitate to reach out."

The law firm's dedication to pursuing justice has garnered them a positive reputation among their clients. On Google, Will Ferguson & Associates Albuquerque has a rating of 4.2/5 stars. A recent 5-star review by Nile Hutchins reads, "I referred a friend to Will Ferguson & Associates who had been in an accident in Carlsbad, NM. The firm was on top of her case and they handled things in a very professional manner. Originally, my friend was not going to retain a law firm to handle her case but when the insurance company was giving her the runaround and lowballing her with their offer(s) I told her that she should hire WFA. The firm went above and beyond and helped her with getting her vehicle fixed up, seeing the proper doctors to be made whole again, and they got a favorable settlement offer far above what was originally offered. We couldn't be happier with the results."

In another 5-star review, Nelle Picklar says, "Corinne Holt is a force to be reckoned with and exceeded any expectations I had from a lawyer. Her calmness, matched with her tenacity and strong sense of justice, makes her the perfect lawyer. Not only that, but every single one of my interactions with any Will Ferguson & Associates personnel was a pleasant experience. 10/10 would recommend to anyone needing legal representation. I wouldn't dream of using any other lawyer."

The firm also maintains a strong rating on Facebook with 4.6/5 stars. Here, Michael Corio says, "I had a fantastic experience with Will Ferguson & Associates thanks to the hard work of my attorney Jason Vigil. His professionalism, easy-to-understand explanations, and guidance resulted in a reward that significantly exceeded my expectations. I would highly recommend this firm, and especially attorney Jason Vigil, to anyone!?"
