NORFOLK, Va.? This month, G & W Gifts and Awards is featuring their line of custom-made sculptures. The Norfolk trophy store wants to inform their clients of the more regal gifts they offer.

The most popular featured sculpture G & W is featuring right now is their majestic eagle. This particular sculpture has a few options for clients to choose from. Clients may choose what metal they would like their sculpture made from, and they may have their sculptures engraved for any occasion. The eagles also come with different poses for clients to choose from, depending on the options G & W lists online.

G & W Gifts and Awards does not specialize in majestic eagle sculptures alone; they also have sculptures for almost any occasion. They offer sculpture awards for sports and competitions, custom mixed media awards, custom resins and more.

Previous clients from G & W have left their happy reviews on Google for the featured sculptures as well as many other products. Stuart J. wrote, ?In an era of cheap online trophies, G & W still produces reasonably priced, quality trophies, plaques, etc. Plus, buying from G & W supports a local business.?

Ron L. also wrote, ?Great award selection. Love their majestic eagles!?

There are many others like Stuart and Ron who are happy to share their experiences with G & W Gifts and Awards on Google. The team says they are ready to provide their best work to clients, and they are excited about their featured line of sculptures in Norfolk.
