July 31, 2015 - PRESSADVANTAGE -

Anil Gupta is a talented speaker, who uses his intuitive skills to destroy what has been holding people back. He has the ability to transform people who are struggling in life.

Ever felt there's something missing in your life? Or had an issue with spouse, parent, sibling or a relative which has left you in misery? Whatever it may be, Anil Gupta is the one to help free all the problems in life. Immediate Happiness, Gupta's company, has reached many personalities, such as Richard Branson the founder of Virgin Group. Gupta's reputation as an intuitive transformer, has taken him to many countries where he has been called upon to work with people to clear their minds out of dated beliefs and life patterns that are keeping them stuck in their lives.

Depression is a common health problem in the world, and especially amongst Film and Television personalities. Gupta is known for relieving British stars who have suffered from years of stardom. He will identify road blocks to better relationships, improve health and wealth. He has a proven process that will take you through a journey leaving you empowered, fulfilled and joyous!

Gupta believes getting to the heart of a problem can lead to "richer, fuller and happier lives," and client testimonials say it's "a life changing experience." Gupta has also been interviewed by Fox News for his

phenomenal skills.

Gupta provides three free Life enhancing videos on his website: www.immediatehappiness.com to allow potential clients to see his work. So why not check it out and start your road to happiness!

Immediate Happiness ? Discover A New You, Revive Relationships, Be Happy.
