October 12, 2019 - PRESSADVANTAGE -

Although dental and vision care is not usually covered in medical plans, Korthase Insurance, the Best Health Insurance in Hilton Head, SC, is helping senior citizens get the best out of their policies.

Korthase Insurance is doing its magic by finding a thicket of possibilities for dental and vision coverage out of their client's medical insurance plans. The company goes beyond its duty of just providing insurance but likewise educating its clients of the best possible option.

The company, based in Hilton Head Island, is known to deliver top service with quality attention and the most appropriate, properly-priced insurance product. They always help customers find and purchase the level of coverage that's right for their client's needs and budget. Aside from Hilton Head Island, the company also extends its services in Bluffton and the Lowcountry area.

Aside from dental and vision care, Korthase Insurance is also a leader in providing life insurance for the communities it serves. Whether a client needs coverage for a term, a whole life plan, or a universal one, they have it all.

The company is also the Best Medicare Supplement Plans in Hilton Head, SC. They have a wide range of options for Medicare Supplement for its long list of clientele.

Korthase Insurance allows their clients to compare top-rated Medicare Supplement and Medicare Advantage plans to pick the best option for their situation. Part of this service is also the Prescription Drug Plans.

The company also offers hospital indemnity services. This type of insurance provides cash payments to cover hospital cost that is beyond the medical insurance coverage. They also offer annuities, final expense, and long-term care plans for seniors.

With over 30 years of experience, the company gives its clients beyond excellent service. Instead of providing just a list of products, people from Korthase Insurance take time to explain every aspect of the plan they are offering. It allows their clients to choose rightfully.

?My goal has always been not only to sell insurance but to offer the best options available to my customers. I have been doing this since the start of my insurance career in 1982, and I have made many friends that also happen to be happy customers,? William Bill Korthase, the company owner says.
