

Local RV Park Offers Year-Round Entertainment for Saltwater Fishing Enthusiasts

October 15, 2019

October 15, 2019 - PRESSADVANTAGE -

Pensacola, Fla. - Avalon Landing RV Park, a longtime favorite Pensacola area RV Park, is always a dependable choice for outdoor activities especially for saltwater fishing, boating and bird watching. Besides their usual nice catches of Red Fish, Speckled Trout and Flounder this season the RV park's guests have even landed Black Drum.

Avalon Landing RV Park maintains a state pier fishing license so that its registered guests can fish off of their pier without first obtaining a Florida fishing license. It makes it easy and inexpensive for its guests to enjoy its beautiful waterfront location for saltwater fishing on the Park's fishing pier. Normally non-residents of Florida would typically pay \$30 for a week-long saltwater fishing license, an expense that adds up in savings for the park's guests, especially for those who visit there in groups.

Those who have visited the park have provided their feedback regarding their positive experiences and amenities offered by Avalon Landing RV Park online. Kathy J. stated "Great people, great park. Quiet park close to Pensacola but far enough away to be a really nice place. Nice sized lots, clean shower house and laundry room. We stayed a week and was completely happy with our choice. There is someone to take you to

your site in case you need help backing in. We will definitely stay here again if back in this area.?

In addition to several pristine Gulf Coast beaches within a few minutes? drive of this beautiful Pensacola Area RV Park and the area?s other popular water activities such as deep-sea fishing, scuba diving, canoeing, kayaking, and unspoiled clear stream tubing area visitors can also conveniently enjoy many ?world-class? local attractions such as the Naval Aviation Museum aboard NAS Pensacola with its 1850?s lighthouse and the Historic Pensacola downtown. The park is also located near the area?s new Pensacola Bay ferries, operating seasonally from downtown to Pensacola Beach and Fort Pickens in the Gulf Islands National Seashore.
