

M & A's Towing Service in Corpus Christi, TX Resumes Full Operation

October 16, 2019

October 16, 2019 - PRESSADVANTAGE -

M & A's Towing Service in Corpus Christi announces full operation after embarking on a business makeover last August 2019. The revamp has significantly transformed and improved the company's tow truck and roadside assistance services. The company has also expanded its services to cover different communities within the Corpus Christi area. Among them includes San Pedro, El Martillo, Concordia, Odem, and Shell Ridge to name a few. For a complete list of their service areas, please follow this link: <http://gmbp.in/u/5da774266a411>.

"We are extremely pleased to continue to grow the brand of M & A's Towing. Our revamp will transform our premier towing company to be recognized for its business integrity, strong values, community leadership and involvement, and customer service excellence," said Zackary Butler, the representative of M & A's Towing.

The towing company has a tow team composed of seasoned and highly trained professionals. Refresher training programs on towing techniques, safety, and trends were provided to update their skills and knowledge. Moreover, all employees also undertook customer service improvement training to reinforce their

customer service skills by refining their sense of empathy, persistence, reliability, flexibility, and work ethics. Customers can now expect better customer interaction and a more personalized towing and roadside assistance service. Butler explains, "We are committed to the growth of our staff, the innovation of service and the provision of exceptional customer experience."

In line with the company rebranding, M & A's Towing has also announced the launch of its newly redesigned corporate website here: <https://mandastowing.com>. Following the company's years of towing experience and its evolution as an industry-leading provider of towing and roadside assistance, the new website will provide its target customers with an updated, all-inclusive experience that showcases the organization's transformative journey.

"We have made huge advances evolving as a top towing provider over the years and we are happy to share with our customers and the general public our new website that is reflective of our transformation," says Butler. "Our new website shows our commitment to transparency and operational excellence. It will help us to improve our service to our customers by providing comprehensive information about our towing services and regular updates on our specials and discounts," he added. The company hopes to enhance its towing capabilities and strengthen its position as a partner of choice for the towing needs of the people in Corpus Christi, Texas and its surrounding areas.

The company also added new technology and machinery in its towing equipment. Their tow truck fleet is regularly maintained to operate efficiently. Their assortment of equipment and tools also permits them to handle every type of towing, winching or roadside assistance needed by the customer. Advanced technology boosted the efficiency and proficiency of their towing operations.

M & A's Towing has also started round-the-clock uninterrupted operations of their towing services to better serve the people. According to Butler, the company adopted a flexible workforce management solution to cover different shifts and provide towing services 24-7. Customers can contact the company anytime they need assistance and a dispatcher and tow team will always be available for them to respond.

At the heart of the company's improved brand of services is the notion of customer experience. The company is using customer experience delivery as a competitive driver that will distinguish them from other towing providers. "We have made a continuous effort to improve customer experiences. Our customers can expect our tow rescue teams to arrive within 30 minutes after calling. We have tow crews on standby assigned in 5 key stations across the city for a quick response," Butler adds, "Our company is happy to serve the entire area of Corpus Christi, TX. The people are in good hands with M & A's Towing." Those who need more information about them or want to know where their offices are located can take a look at

their Google Maps page at <http://gmbp.in/u/5da77455aba3d>.
