With over 30 years of experience, the company offers financial advice to those who want to know how to get health insurance and the perfect health insurance plans for them. The Hilton Head-based company gathers a variety of plans and premiums available to people aged 65 and up from many highly-rated carriers in the area.

Korthase Insurance is best known to deliver top service with quality attention and the most appropriate, properly-priced insurance products. The company helps customers find and purchase the level of coverage that's right for their needs and budget.

"We will also take the time to explain every aspect of each plan so that you fully understand what is offered. That way you will be able to choose the plan to fit exactly what you need, and you will not have to wonder what is or isn't covered by your policy," as stated on the Korthase Insurance website.

Aside from Hilton Head Island, the company also offers the best health insurance plans in Bluffton and the Lowcountry area.

Their services include the Medicare Supplement Plan, which can be used on top of the client's original Medicare benefits. It is a plan for every American over 65 years old. The company also offers Prescription Drugs Plan intended for those who want to enroll in the Medicare Part D prescription drug coverage. It can be used to subsidize the costs of prescription drugs of the plan holder.

Another product offered by Korthase Insurance is the hospital indemnity service. This product can be used for unexpected expenses that regular insurance doesn't cover. The company also provides a long-term care plan for those who need nursing homes in the US. It is the solution for those who are afraid of its high cost. It can be used for homestay costs or can also be given by the beneficiary to their children.

The company also offers the Best Dental and Vision Insurance in Hilton Head, SC. Dental and vision care is not usually covered in medical plans; that is why Korthase Insurance included it on their services. Another service they offer is annuities or contracts whose payments are guaranteed by the company issuing the contract. These often fit retiree's need for guarantees. They likewise provide final expense insurance designed to cover burial costs.
