August 10, 2015

August 10, 2015 - PRESSADVANTAGE -

Zombie Cajun, a sauce making business based in Spring Hill, TN, has been supplying hot sauce to Deer Run Retreat for the past five years. This year, their sponsorship will include providing a hot sauce sampler . It will also be available for purchase through the camp store itself.

"Deer Run Retreat is a great Christian camp that does a tremendous amount of good for people," says Ricky Hooter from Zombie Cajun. "We have been committed to helping them for the past five years and this year, we are doing that by providing them with our award-winning hot sauces."

Those who cannot attend the camp also have the opportunity to purchase the hot sauce sampler on Amazon. The gourmet gift basket set includes four six ounce bottles of Louisiana top seasoning sauce. The four flavors are garlic, jalapeno, habanero and cayenne pepper.

Deer Run Retreat is very happy about this year's sponsorship provided by Zombie Cajun. It is a non-denominational Christian organization who have set themselves the mission of transforming lives by fostering a passionate relationship with Christ. They want to achieve this by allowing others to connect

together in a retreat or camp setting.

The retreat offers dining facilities for their campers and attendants of retreats. Meal planning and prices are included when booking is made. The offer of Zombie Cajun hot sauce for free with all their meals is a great opportunity for people to try some of the authentic flavors of Louisiana. Furthermore, if they enjoy the sauce, which most do, they can purchase more from the camp store.

Since their release, the sauces have received numerous positive reviews. "I thought the new flavors were great," says Robert Cucullu. "I have started eating this stuff on my pizza. Even my wife and kids love it." It is expected that the attendants at the Deer Run Retreat will have similar experiences with their sauce. Whether or not they are able to cope with 'The Antidote' sauce, however, which is the hottest in the bunch, remains to be seen.
