November 12, 2019 - PRESSADVANTAGE -

Anchorage, Alaska based dental clinic Healthy Smiles Dental is reaching out to the wider community to share a recent review written by a satisfied patient. The clinic provides a variety of dental services, including cosmetic dentistry, teeth whitening, and more to the residents of Anchorage.

Daryl K., a patient of Healthy Smiles Dental, says in his recent five star Yelp review, "I had been looking for a good dentist in Anchorage for several years. My first experience with Dr. Preece was in urgent care as I had broken a molar. Dr. Preece stayed late to help me with my tooth the same day I called to make an appointment. Dr. Preece has a true passion for what he does and is the best dentist I have seen in Anchorage. The care I received prompted me to make appointments for a cleaning and examination. Both the cleaning and the exam were very thorough. This is a nice small practice where I received very personal care. I am extremely glad I found them!"

Dr. Terry J. Preece, owner of Healthy Smiles Dental, says, "Dental appointments can be terrifying prospects to many people and that's understandable. At Healthy Smiles Dental, we make it our priority to ensure that each and every one of our patients has nothing to fear. We want them to have the most pleasant dental experience they can possibly have. Whenever our patients express their satisfaction with our work, with the time they spent in our offices, it really makes our whole day better."

Dr. Preece has over 35 years of experience in the field of dentistry. His long career has been dedicated to helping his patients achieve excellent oral health and maintain a beautiful smile. Dr. Preece and his team at Healthy Smiles Dental are specialists in cosmetic dentistry and smile design as well as comprehensive dentistry. Additional services provided by Healthy Smiles Dental include implants, veneers, teeth whitening, crowns, dentures, root canal therapy, and sedation dentistry. "At Healthy Smiles Dental, we recognize that dentistry is at once both an art and a science," says Dr. Preece. "It can have a deep impact on people's lives and, therefore, must be approached with the utmost care. At Healthy Smiles Dental, we are dedicated to excellence in every step of every procedure we perform, and we will use our skills to give our patients exactly the treatment and care they need."

Healthy Smiles Dental has a long history of excellent customer service, as is evident in their customer reviews. On Google, the clinic maintains a perfect five star rating. Graycegrl Dobson says in her recent review, "Dr. Preece and his staff are awesome! I'm a real scaredy cat when it comes to having my teeth worked on. They really made me feel like they truly care about me and my comfort. They are gentle, caring, and never in a rush. They took excellent care of me and my teeth, and I can say I am a patient for life! Thank you, Dr. Preece."

In another review, Michael Moravec says, "Erica at the desk, Dr. Preece, and then Emily the hygienist; what a wonderful experience. I felt welcomed and appreciated to be their customer/patient. This was perhaps the most thorough first exam I have ever received from a dental care provider. Thorough, but gentle. I wholeheartedly recommend Dr. Preece and Healthy Smiles Dental for anyone's dental needs."

The clinic is rated 4.9 out of 5 on Facebook. Becky Rampton Kotter says in her review, "Dr. Preece was exceptionally thorough, good at his work, genuine, and kind. I finally feel I have a dentist that I can trust as much as my dad (who was also a dentist)! His staff was equally kind and easy to work with, making me feel welcome. I will be taking my family to Healthy Smiles Dental for future work!"
