

Video One Productions Celebrates New Glowing Customer Review

October 31, 2019

October 31, 2019 - PRESSADVANTAGE -

Chicago, Illinois based Video One Productions is celebrating their most recent 5-Star Customer review, which praises the company for the excellence and commitment they show their community. The local company is among the best-rated video production companies in the area, having served the Chicago residents for nearly 30 years. They are always willing to share the benefit of their talent and creativity to help their clients fulfill their projects.

Video One Productions has been continuously described as one of the most capable and knowledgeable companies in Chicago by their clients. Many of their customer reviews give the company credit for the success they enjoyed, attributing qualities to them that range from being able to accurately determine their clients' goals to effectively devising a strategy to complete these objectives and obtain the best results with their video projects.

Through their website, Video One Productions showcases some of their most recent customer reviews, which attest to the company's expertise and experience. In one of these reviews, Homero M., Region Vice President at Kimberly Clark, shares, "We have used Video One for onsite video production of surgical

techniques in the operating room. We have been very impressed by their staff of professional videographers and editors. The quality and knowledge of Video One staff has been beyond reproach and I would highly recommend them for any video production job."

Video One Productions has received praise from their clients on several other review platforms, where clients have gathered to share their experience with the company. For instance, they enjoy a review rating of 4.7/5 stars on Yelp. Through this space, customer Perry M. states, "I had Video One create a point of sale video for my company. I dealt with Irwin, who was very helpful and creative, offering ideas to present the products in a way that I did not think of. The process was good and the product was amazing. I was shocked as to the professional feel and look of the end product, considering its price. I thought I would have spent tens of thousands on the kind of video production that I received. Very happy with them and would use them again in the future!"

Irwin Meyers, who several of these reviews personally praise, is the President of Video One Production and the person regarded as the main catalyst for the company's success. He is an award-winning producer with more than 25 years of experience in the video production industry. His responsibilities within the company include overseeing oversees marketing, sales, production, editing, and so on. He ensures that each client receives the benefit of excellent quality, great service, and exceptional value when they work with the company to produce a video.

"Reading positive comments like these motivates us to keep improving," states Meyers. "At Video One Production, we are committed to helping our clients bring their visions to life. We rely on a team of qualified experts who can work alongside our clients to determine their goals and help achieve them efficiently. From the first contact we have with our clients, they can expect the best treatment and expert advice, which is what has led us to find such success in this competitive industry. We have been servicing the Greater Chicago area for almost three decades, and we're always ready to demonstrate the excellence that comes with such extensive experience."

The expertise that Video One Production wields extends to several areas, as they offer a wide variety of services in the Chicago area. These services include Video Production, Corporate Videography, Trade Show Videos, Promotional Video Productions, Training Video Productions, Event Videos, Editing, Live Streaming Video, and Biotech and Pharma Videos.
