October 24, 2019 - PRESSADVANTAGE -

Pensacola, Fla. ? Local residents have a new place to unwind and let go of their stresses with a new Pensacola day spa. Turquoise Rejuvenation Center Medical Day Spa opened its doors in July of this year and recently celebrated a Ribbon Cutting Ceremony and Grand Opening with The Greater Pensacola Chamber of Commerce on August 9th.

Attendees were treated to a night of networking, refreshments, and a raffle for prizes by Turquoise and other Chamber members. The prizes included a special 20% discount on a variety of their services including facials, massages, laser hair removal, and photo rejuvenation in Pensacola. The Grand Prize winner received a special Cutera Secret RF (Radiofrequency) Micro-needling session.

Turquoise Rejuvenation Center offers a variety of services for their patients, from skincare services such as facials and beauty solutions to aesthetic services such as Botox and laser hair removal. Their team of highly trained professionals prides themselves on the quality level of services and sophistication unparalleled to any other.

"It's a place to relax and rejuvenate the mind and body. What awaits you is a retreat, an atmosphere of peace and serenity. A place that lets you put life on pause. A place that lets all the worries of the day, the week, the month slip away," states the company's owner, Dr. Erin Lindholm. The Pensacola medspa was founded by Dr. Erin Lindholm, MD, and Carl Lindholm Jr. as a pursuit of luxurious relaxation, exceptional individual tailored skincare, massage, and aesthetic beautification.
