October 29, 2019 - PRESSADVANTAGE -

New Orleans, LA ? Gentilly Mail and Copy Center, a New Orleans shipping store, has recently enhanced their marketing efforts. They have outsourced their marketing to a Pensacola company, Prosperous Internet Marketing. Gentilly has expanded their marketing efforts to grow and enhance their online presence, a necessity for companies in this digital age. Gentilly is excited about their marketing efforts and the increase in customer reach it will bring.

Gentilly Mail and Copy Center is a New Orleans provider of shipping, packaging, and other business services. Their business services include faxing, printing, copying, scanning, shredding, and even graphics such as business cards or brochures. Their community can also come to Gentilly for fingerprinting, mailbox rental, notary services, and key cutting. Their list of services continues to grow as they seek to accommodate as many customers as possible.

?Our friendly, dedicated and professionally trained people understand the meaning of customer first,? states Gentilly. ?We can help you save time and money with creative ideas that accomplish your goals at the right price.?

Alongside their growing list of services, the mailbox rental store in New Orleans is growing in their search engine optimization through their new marketing efforts. Search engine optimization is the process of creating quality content, improving social reviews, and optimizing for specific keywords that will improve a company's search engine rankings.

"Great place with knowledgeable staff!" exclaims David T., a customer of Gentilly Mail and Copy Center. "I have to ship things domestically as well as the occasional international package. The folks that work here know what they are doing and can get me either the best price or the best delivery date based on what I need."
