October 31, 2019 - PRESSADVANTAGE -

Fort Walton Beach, Fla. ? Residents in the Gulf Breeze area have been turning to Titan Sunrooms for their outdoor living structure needs for years. Unlike many other contractors in Gulf Breeze and Navarre, Florida, Titan Sunrooms manufactures their building materials so they can ensure customers they are providing Fort Walton Beach sunrooms that offer the absolute best in terms of structural integrity, performance and aesthetic value.

Innovative building materials make custom patio covers ideal for creating a comfortable outdoor space or for constructing an open-air carport for vehicles. In addition to being exceptionally durable, the patio covers offered are highly customizable including varying colors, materials, rooves and designs.

A large part of what has made Titan Sunrooms so popular among the local community is their ability to customize their Crestview screen rooms. Patio covers are made to size according to unique specifications. Additionally, the design of the structure is a collaboration between the builders and homeowners to create a quality product.

Patio covers have become a staple in the temperate climate because they can be easily converted to screen rooms and sunrooms once installed. Energy efficiency and structural integrity are inherent in their design, so offering this innovative construction model is just another way for Titan Sunrooms to offer the most advanced custom builds on the market.

Titan Sunrooms, located in Gulf Breeze, Florida, specializes in the manufacturing & installation of sunrooms, patio covers, and patio enclosure products and screen rooms in Pensacola FL. For more information about Titan Sunrooms, call (850) 244-4474 or visit www.titansunrooms.com.
