November 13, 2019 - PRESSADVANTAGE -

Mazzeo Law Barristers & Solicitors, a law firm based in Vaughan, Ontario, has shared some of their most recent success stories in family law cases, demonstrating their expertise and knowledgeability in the field. The local firm has seen thousands of clients through their family cases, acting as mediators between the parties involved and preventing conflicts that would complicate a smooth resolution.

The most recent success story shared by the local firm illustrates the finesse they bring to their work in child support law, as it narrates the case of Frank Roy. They share, "I am so grateful that Paul represented me in my times of trouble, trying to separate was very hard on myself and my children. It is known that, usually, the mother gets the children, especially at 8 and 4, but thanks to Paul's efforts, I got the majority of custody and get to watch my children grow up and was able to go to all their activities. This means a lot to me and the children. Paul was very persistent in getting the goals we set out in the beginning and, due to his expertise and tenacity, we came out with great results. Thank you so much. I will recommend Paul to everyone I know, although I hope they don't go through these problems."

According to the firm, counting on an experienced lawyer to act as a mediator and intervene in these situations is the key to success. They remark that many go into this process with the belief that it will be smooth and simple—and the law will be on their side—only to find themselves struggling once the actual court

appointments begin.

Paul Mazzeo, lead attorney at Mazzeo Law Barristers & Solicitors, states, "When it comes to something as sensitive as the custody of your child, or child support, you want to leave everything in the hands of an expert. Failing to recognize the importance of proper legal representation will have direct consequences on the outcome of your case."

As Mazzeo notes, having an attorney handle every step of the process will prove to be an invaluable asset. The local firm guarantees that, whenever possible, they will communicate with the other parties and try to reach an agreement before going into court. However, they will remain open as an effective channel of communication after going to court as well.

In another review, Mazzeo Law Barristers & Solicitors is praised for their expertise in family law cases. Peter Cole shares, "Paul Mazzeo has been easy to work with: professional, reliable and, above all, he is a very knowledgeable family lawyer. My family law case has become rather complicated, yet Paul has been prepared every step of the way. With his expertise and experience, he has been successful in all family court appearances. Paul is always well prepared and organized, which I believe is the key to his success. Although this process is highly stressful, Paul is always available to respond to all my concerns. I highly recommend Paul Mazzeo and the staff at Mazzeo Law for any family law issues."

Mazzeo Law Barristers & Solicitors possess extensive experience and knowledge in several areas of family law, as they guarantee their clients the best representation in Ontario regarding Child Support, Separation, Divorce, Spousal Support, Child Custody, Matrimonial Law, Domestic Contracts, and Prenuptial Agreements.
