

SEO Agency In Phoenix Expands Their Services

November 15, 2019

Tempe, AZ - November 15, 2019 - PRESSADVANTAGE -

Lucid Leverage LLC, an SEO agency in Phoenix, Arizona, is pleased to announce that they are expanding their press release services, which will now include several distinguished new media outlets across the US. This marks yet another step in the company's efforts to deliver top of the line services to their clients, which they state is their first and foremost priority.

Thanks to this expansion, Lucid Leverage LLC is now able to offer press release services that are distributed across 500 media outlets. They have managed to secure partnerships with some of the most famous media sources in the country, including USA Today, The Boston Herald, and The Arizona Republic. This represents a significant improvement in their services, as the company states that it will help them keep clients at the top of relevant search terms, across all search engines, with greater ease.

Chris Quintela, co-founder of Lucid Leverage LLC, says, "These new partnerships will allow us to produce results for our clients that are better than ever, across multiple search engines. It will bring more traffic to their website, which means more customers will be attracted to their products. Providing the best services for our clients has always been our top priority, and we hope that they see the value behind this new development. We also hope they will take this chance to grow their business through our press release services."

According to the agency, press releases are already among the best marketing tools available to a business of any size. They are a great way to bump a company into the top results for relevant search terms on all search engines. These terms are chosen according to the desired results of the promotion itself, which means that a local business can choose a term that helps them rank higher in local searches, while businesses with a broader scope will receive terms that will improve their existing reach.

Lucid Leverage LLC is also keen to highlight how convenient their press release services are, as they state that their team of writers and distributors will handle all aspects of it, guaranteeing successful results. They state that, when given a topic and a purpose, their staff can tailor a press release for their clients within a matter of days. Given the company's expertise in Search Engine Optimization, or SEO, they guarantee that they can utilize these tools effectively to rank their clients among the top results for specific keywords.

They also offer a variety of other options that can promote a businesses' growth, as they maintain a remarkable commitment to helping their clients find success in their respective niches. Their social media management services are among the most highly sought after in Arizona and California, since they rely on a modern and unique approach towards social media management for businesses, celebrities, and online brands.

Quintela states, "We work alongside our clients in an effort to understand their goals and the target audience that they wish to reach. Once these aspects have been determined, our team creates valuable content with a targeted message that is designed to pursue these goals as thoroughly as possible. We value research and communication above all else, so you can be sure that we will determine the best strategy for your business and see it through to help you succeed. Very few companies possess the expertise that we do in this industry, and none of them share the commitment that we have to help our clients find success. This is one of the most fundamental parts of our business."

Aside from their social media management services, Lucid Leverage LLC offers Local SEO, Reputation Management For Celebrities and Notable Individuals, and SEO Reselling. They have also recently included SEO for MMJ websites as well as other CBD products to their list of services, demonstrating their ability and willingness to dive into new fields on behalf of their clients. They are the preferred option for Arizona businesses that wish to promote their growth.
