

Hilary & Reverie Offer Coastal Dune Lake Living Opportunity In Panama City Beach

November 25, 2019

November 25, 2019 - PRESSADVANTAGE -

Hilary & Reverie, a real estate brokerage based out of Watersound, Florida, along Scenic Hwy 30A, is pleased to announce that they have an exciting new opportunity for people looking to purchase new construction homes with Coastal Dune Lake access. These homes can be found at The Pointe at Lake Powell, which offers homeowners a boutique community with a total of eight dedicated homes. This community is cobrokered with Bill Thomas of Beachtime Realty located in Panama City Beach.

According to Hilary & Reverie, homes on the south side of The Pointe offer sprawling floor plans with private docks and direct lake access as well as oversized garages accompanying the stunning interior finishes. Homes on the north side of the Pointe are situated against the backdrop of wooded areas, providing privacy, while the homes themselves feature stunning interior finishes and access to the community's private dock with dedicated boat slips. The Pointe's properties are available for purchase starting from \$799k. The model home is available to tour 7 days a week from 10am - 5pm. More information can be found at the official website of The Pointe at Lake Powell: www.thepointelakepowell.com.

Corey Birger, a representative for Hilary & Reverie, says, "The Pointe at Lake Powell is located on the

shores of the largest of the rare Coastal Dune Lakes in northwest Florida, allowing the inclusion of both motorboats and jet skis, and having a chance to live there is a dream come true. It's an absolutely gorgeous place and, as you know, coastal dune lakes are very rare and very precious freshwater ecosystems. The Pointe at Lake Powell provides you with the opportunity to live your life in luxury in an area that is nothing short of nature's gift.

Coastal dune lakes are only found in a few locations around the world. One can find these lakes in New Zealand, Australia, Madagascar, and in a few places in the United States along the coasts of Oregon, South Carolina and Northwest Florida. Lake Powell has a channel that runs into the Gulf of Mexico and, depending on the tides and winds, saltwater from the Gulf may enter the lake when this channel is open. Due to this, it is common to find various saltwater species alongside freshwater species in the lake, which provides an exciting variety of catches for those who like fishing.

Hilary & Reverie has earned an excellent reputation over the course of their time in the industry, as customers who have worked with the company all report complete satisfaction the company's services. They boast a perfect five star rating on Facebook. Chris Arapoglou says in his review, "My wife and I have had several real estate transactions with Hilary, each more successful than the one before. She has consistently proven to be among the most responsive, ethical and knowledgeable real estate professionals I have ever dealt with. Without her guidance and expertise, it would be highly unlikely that we would have fulfilled our 30A dreams. Simply put, she finds a way to get the deal done. Go with Hilary & Reverie, and I'm willing to bet that you too will be leaving rave reviews on this site afterwards."

Alex Sales commends the agency as well, saying, "My wife and I have been professionally associated with Hilary for over 10 years in various real estate transactions. Initially from Ohio, we were remote buyers in Watersound and, as a type A personality, I needed a responsive, knowledgeable and accountable agent. I found this in Hilary. She knows 'the territory,' the vibe and the trends. She responds to emails, and texts in a breath so uncommon in the real estate industry. Hilary of Hilary & Reverie has represented us in purchasing homes, selling homes, purchasing land, arranging builders the whole scope of real estate needs! Furthermore, with Hilary's longevity 'in the field' her contact base is extensive: from decorators to various subcontractors to the best martinis on 30A! Hilary's new agency, Hilary and Reverie, is appropriately named; reverie involves daydreaming about pleasant things. Not only is Hilary able to plant these seeds of daydreams, she is also able to bring these daydreams to reality. For any and all real estate needs, there is only one agency to consider on the 30A corridor that is the premier agent/agency Hilary of Hilary and Reverie!?"
