November 15, 2019

Budapest, Central Hungary - November 15, 2019 -
Oktogon 1, Budapest based party planner Pub Crawl Budapest is reaching out to the wider community to share their admiration of the Dürer Kert Ruin Pub. Pub Crawl Budapest is a long running ruin bar tour that provides people a chance to visit the best ruin bars in Budapest.

The Dürer Kert Ruin Bar is situated in a building that originally began as a boarding school before serving as a Soviet College and then as part of a prestigious Hungarian university. Today, the building houses a leading club in Budapest that is positively brimming with personality. A guest of the Dürer Kert Ruin Bar will be able to experience the whole spectrum of music within one night as the bands rotate through a variety of genres, including indie, hip-hop and various electro trends. The stage at Dürer Kert is also open to all current productions, cult figures and fresh talents from both the Hungarian and the international music scene.

Pub Crawl Budapest says, ?Ask anyone in Budapest and they know the Dürer Kert. It?s become an essential part of the Budapest nightlife. It has a cult following and it?s perfectly understandable why. In summertime, Dürer Kert?s ancient trees provide a shady place to rest after a long workday. You?ll find a number of hammocks, swing canopies and even an old, transformed Volán bus where you can hang out with your friends in the garden.?

They continue, ?Of course, resting is not the only thing you can do in Dürer Kert. You?ll find concerts, open air grill parties, table tennis, and table football matches, all providing the fantastic carefree enjoyment you deserve. If you?ve been to Dürer Kert, you?ll also know that it is a great place for all-night conversations, the natural ambiance of the place just enhances everything.?
